

Alternative Gifts International is a Wichita based non-profit organization that inspires support for humanitarian and environmental causes. We offer donors the opportunity to make charitable gifts through carefully selected agencies, in honor of their relatives, friends and associates.

Shopping for gifts at the annual Wichita Alternative Gift Market helps our community!

In the last decade the Wichita Alternative Gift Market has made it possible for grants totaling over \$56,000 to be awarded to local agencies like, Wichita Family Crisis Center (formerly YWCA), Wichita Womens Initiative Network, Dear Neighbor Ministries, UM Open Door, Catholic Charities St. Anthony Shelter, The Lords Diner, Fill the Gap, Interfaith Ministries

Give an alternative gift of food, medicine, livestock or education, in honor of a friend or relative. These gifts will be sent to areas with great needs around the world and here at home.

When you purchase alternative gifts, you receive greeting cards with gift inserts describing your gifts. These cards create a shared blessing for both the donor and the recipient.

We believe we are changing our community and the world one gift at a time. These gifts empower the poorest of the poor on our planet to sustain life and to build a future for subsequent generations. People of all ages, races and faiths unite to share the joy in giving or receiving an alternative gift.

AGI Commitment: 90% of your gift goes directly to the projects as described in our catalog.
